Final note by the Minister for Law.

SUBJECT: Proposal to continue the services of Rajasevaprasakta Mr.R.N.Mirza, Additional Director (Transport), Supplies Department, with the staff till the end of December '46

In July 1946, Government sanctioned the continuance up to the end of August 1946 of the appointment of Rajasevaprasakta Mr. R.N.Mirza, retired General Manager, Mysore State Railway, as Additional Director (Transport) in the Food Supplies Department, to attend to the expeditious rail movement of foodgrains allotted from outside the State, on a pay of Rs.1,400 per mensem including his pension plus a conveyance allowance of Rs.100 per mensem with the following establishment:-

One steno-typist	on	Rs.50 per mensem
Two clerks	on	40 each per mensem
One Daffedar	on	15 per mensem
One peon	on	12 per mensem
One peon	on	10 plus a cycle allowance of Re.1/- per mensem

(with the usual dearness allowance).

The Director of Food Supplies has now reported that the transport question needs careful watching and constant attention on account of distress conditions prevailing in the State and the expected heavy foreign allotments which have to be moved from the ports to the consuming areas with the utmost expedition. He has therefore solicited sanction for the continuance of Mr.R.N.Mirza as Additional Director (Transport) on the existing terms along with his staff till the end of October 1946.

In addition, the following heavy movements in the next three or four months over the very difficult Hindupur section where three railways are involved have to be kept in view:-

i) 4,930 tons of tur and 8,000 tons of moong obtained by the Additional Director of Food Supplies from Hyderabad in July.

ii) 1,500 tons of millets allotted to the State in July.

iii) Further quantities of cereals and pulses which the Hyderabad delegation promised to spare after

consideration on their return (this is now finalised at 9,700 tons).

All these have to be moved in very quickly. In addition, there is the very important question of moving stocks from surplus to deficit districts within the State itself which cannot be achieved satisfactorily without the aid of a liaison officer with railway experience. It is, therefore, proposed to continue Mr.R.N.Mirza in the Food Department along with his staff till the end of December 1946.

I solicit the gracious sanction of His Highness to the above proposal which is approved by the Dewan and agreed to by the other Ministers.
